**Los Angeles – Marinello's spacious new *Spa Academy* showcase on Fairfax off Melrose in Los Angeles** is turning a lot of heads these days! From career-driven estheticians and skin care industry icons to the neighborhood's **trendy locals loving the Academy's *economy-considerate spa services***, Marinello's shiny new flagship is the hottest new destination for skin care beauty, health and education.

It seems that everyone has *heard the good word* about the Marinello *Spa Academy* and are now streaming in to see it all first-hand. Opening its doors last June, the sleek **first-of-its-kind bi-level *Spa Academy*** is considered a state-of-the-art *educational oasis* for those seeking career advancement in the unlimited, luxurious spa industry. Success-driven skin care pros looking for serious advanced education are drawn to the *Spa Academy's* major programs: '*Advanced Face and Body Treatments*' and '*Master Spa Therapist*'. Each program is designed to provide in-depth training and opportunities to work in day spas, club spas, mineral spas, destination spas and cruise ships! And while the *pros* are busy honing their special spa care skills, the pampered Melrose clientele are getting fabulous facials plus waxing services that come with the territory of already-skilled professionals trading up with training.

Marinello's *Spa Academy* was the recent stop of spa industry icon Lydia Safarti, New York spa owner and Honorary Chair, Esthetics America/CIDESCO USA, along with respected beauty industry veteran Gordon Miller, Executive Director, National Cosmetology Association (NCA) based in Chicago. Marinello's Executive Director of Education Karyn Laitis gave them a personal tour of the Academy while explaining its advanced programs and state-of-the-art educational facilities. Marinello Schools of Beauty is unique on the West Coast in offering the CIDESCO certification training and diploma, the world's most prestigious qualification in the field of esthetics and beauty therapy.

*The Spa Academy* is an extended campus of the Marinello Schools of Beauty Wilshire Boulevard campus location. In addition to specialized programs at the Spa Academy, Marinello's West Wilshire location provides training in Cosmetology, Esthetics (Skin Care) and Manicuring.
